

SICK #flushyourmeds Scott Barry ;
By Scott A. Barry / Scott A Barry / Scott Barry ... ;
ALL OF MY BOOKS ARE LAND FILL NOW ADDED TO PDF INSTEAD ... ;
MASKS DO NOT WORK VACCINES DO NOT WORK HOLOCAUST IS HOAX ... ;

The Homeless aka no car no family are always sick, then they throw away all of their personal belongings and go back to the DMV ... ;

Psychiatry will definately do harm, the psych meds will do, the psychs

will commit perjury and lie, it will definately make you homeless, Antipsychiatryorg and CCHRorg are right about this one PERIOD ... ;

I was so sick of living with people I do not care about and would not care for them if they died period, These people include Goat People, Yankees, Yuppies, Brainwashed Lemmings, Jocks, Punks, Partisans, Zionists, Freemasons, Gang Stalkers, Organized Stalkers, The Corrupt Sheriff's Department that Stalks and Harasses, steals peoples valuble possessions, and is known to traffick street drugs. Yes that is our corrupt government keeping the homeless homeless.

Human Rights Activists are the most censored people on the planet, nothing ever makes it to the Internet or Press EVER it is instead, on IPFS, Tor, I2P, Peer2Peer, The Dark Web, Archivers, Tails OS, Brave, Archivetodayorg, Permacc, LOCgov, Harvard Law Library ... ;

That's is where everything else goes, not on Search Engines, so far Yandex, Qwant, Seeker, DuckDuckGo, do a better job than Google, also I was so sick of living with these branwashed lemmings listed above aka Goat People Brainwash Lemmings, Partisan Left, Marxist, Communist, Pro Censorship, Black and White Thinker, that I became the Narcicissist Myself and Downsized by throwing away a good amount of my property, a good THREE grand worth, and it wen in the land fill so

did all the books LOL, I literally am all Digital Now and have a WS set up for it just to troll these people, I literally threw away a a good amount of my personal belongings, because I could not put up with the stalking and Property Has a Demonic Antenna Carrier that makes the stalking worse, so this is the only way to deal with it, If you want to throw away your stuff and tear up your bank files then do it, no one is stopping you from tearing your financial and bank docs

or even your birth certificate, you can get a corrections birth certificate

if you have a template affidavit made archived to Kraken Files catboxmoe,

then moved over to pastebin, archivetodayorgpermacc, then you just, hex

up the pastebin link and use tinyurl and store it on your hard cover manifesto book that you published to the internet, I may even advocate

suicide and self injury if you want to anyways, so do it, no one is

stopping you from killing yourself either, also you would be happier
as
as ghost anyways, because this whole life is just Human Trafficking,
Group Homes, Child P***, MKULTRA, Uncle Sam's Snuff Factory, The
Protocols
of Zion, Kyle Odom Manifesto on Martians, COINTELPRO of the FBI
CIA ... ;
That is all life is about Life is S***, Then you D** and become a
Telepathic
Ghost and Martians Started ORG Religion to cult people and control
them,
Martians Destroyed this planet, along with Zionism and
Freemasonry ... ;
